

## Prices of Tubes and Tires Marked Lower

Reductions of from seven and a half to 10 per cent in the prices of tires and tubes are announced by the Royal Hawaiian Sales Company, Ltd., representative in the territory of the Goodyear Company, which leads the way to lower prices for the prime necessity for auto travel. While tire prices had by no means advanced in cost as had other commodities there has been complaint as to tire prices from car owners and the reduction will come as a decided relief.

Regular Goodyear tubes show the largest reduction, 15 percent. Heavy tourist tubes are marked down 10 per cent as are solid and fabric tires while Goodyear Cords will be found seven and a half percent lower.

It is announced that the mark down is in line with the general policy of the Goodyear Tire and Rubber Company to do all in its power to reduce the selling price as the prices of raw materials may decrease.

Lee Newton of the Newton Auto Exchange Ltd., was on Maui Saturday to close negotiations for the purchase of Maui Garage & Transportation Co.

DIED—At Yerton, Haiku, Maui on the 23rd, Agnes Jamieson Lindsay, nee of West Kilbride, Ayrshire, Scotland.
